Welcome to the Merrimack Valley Seventh-day Adventist Church

You can't accomplish a God-ordained vision alone—impossible! You need to share your vision with others in order to achieve it. God's vision is always bigger than you. There are no "lone stars" in vision. Of course, He knows this, so He will provide others to join you in its pursuit. Vision accomplished is always a vision accomplished together, and you will always give Jesus the glory for its success. Always? Always. Welcome to Merrimack Valley...a church family of friends.

Thought Spot: Dreamers vs. Visionaries. Do you know the difference between a dreamer and a visionary? Dreamers usually just dream. They have big ideas without any clue as to how to turn and dream into a reality. Visionaries, on the other hand, have big dreams too, but they combine their dreams with plans to accomplish them. That's a big difference. Now that's something to think about. Pastor Phil

Dracut TV: The Church Service today will be recorded and portions of the service will be broadcast on the local access channel (Cable TV), Internet and other media. For questions or other issues, contact the Visual/Audio team.
