With your help, they can do much more. ACS DR is a well-respected disaster response leader that can leverage partnerships and make bulk purchases that can multiply the benefits of your donated dollars. Please consider making a donation to ACS DR and help your church make a difference in the lives of Hurricane Sandy survivors. You may donate in several ways:

God has no intention of giving part of what he has made over to disease. God has given precious promises of his desire for us to be in good spiritual, physical and mental health..
