Do you have an HD Video Camcorder with optical zoom that has been put away in a box, storage or garage that isn't being used for a while? The Audio/Visual department would like to help you take those cob webs or dust off of them if you would like to donate them, to improve the image quality of our Video feed online and our local TV station broadcast in Dracut. Some of our current video cameras being used are 16 years old. For more information please contact Andreas.

Prayer Requests: Do you have a prayer request? There is a prayer box on the mail sorter in the foyer of the church. Fill out a request form and put it in the box or e-mail the prayer team at: prayer@mvsda.org and the prayer team will bring your request before the Lord.

Do you have a need today for personal prayer for yourself or someone else? The Prayer Team members will be available immediately following the church service to pray with you. Ask one of the church members to direct you to the Youth Sabbath School room and we will meet you there!

Thought Spot: Christ's self-sacrificing love is revealed upon the cross. He gave all he had, and then gave himself that man might be saved. The cross of Christ appeals to the benevolence of every follower of the blessed Saviour. The principle illustrated there is to give, give. This carried out in good works is the true fruit of the Christian life. The principle of worldliness is to get, get, and thus people expect to secure happiness; but carried out in all its bearings, its fruit is misery and death.
