**Thought Spot:** Perspective, the position from which we view events, always has an influence on our interpretation of what our eyes actually see. We should be careful to compare our perspective with God's perspective before making decisions that affect our lives and the lives of others.

**Dracut TV:** The Church Service today will be recorded and portions of the service will be broadcast on the local access channel (Cable TV), Internet and other media. For questions or other issues, contact the Visual/Audio team.
